Chief, Records Management Division
Chief, Regulations Control Division

REGISTRY

70-1

25X1 FROM:
Acting Director of Information Services

25X1 SUBJECT: Non-Duty Hour Requests for Support

REFERENCE: OIS Memorandum dated 9 September 1981;
Same Subject

25X1 1. Enough organizational and personnel changes have occurred during the past several months that the publication of the list designating key OIS Officers has been updated. A copy of the list is attached.

25X1 2. The procedures as delineated in the referenced memo continue in effect during non-duty hour requests. This list of key personnel will be used in lieu of a formal OIS Duty Officer roster and the DDA Duty Officer, when necessary, will contact our personnel as the subject matter requires. The officer contacted will ensure that the request is complied with as expeditiously and completely as possible.

25X1 3. Support from the Agency Archives and Records Center (AARC) during non-duty hours is obtained by calling
25X1 and they will alert the AARC Duty Officer to the request, as has been the practice in the past. Any direct request received by an OIS Officer during non-duty hours will be reported to the DDA Duty Officer through the Agency Security Duty Office (Ext. 6161). The OIS Executive Officer will be advised at the beginning of the next regular working day of any non-duty hour activities.
